Defendant	:

While employed at the Fort Mitchell National Cemetery I was placed in
“Hostile Workplace” and faced discrimination on a daily basis. This
discrimination was because of my physical disabilities and the fact that I am
a homeless United States Viet Nam era veteran.

Now comes the plaintiff and shows the Court the following:

1.

Henry A. Gaillard
1235 Fifth Avenue (SRO#13)
Columbus, Georgia 31901
Plaintiff

2.

R. James Nicholson, Secretary,
Department of Veterans Affairs
Washington, D.C.
Defendant

3.

I was discriminated against based on my disabilities by subjecting me to a hostile work environment. This was a blatant violation of the Rehabilitation Act.

4.

I am a veteran with sixteen years eights months service to my country. I became homeless attributed to concerted taken against me by the military. I became blinded. The actions taken against me by personnel at Fort Mitchell National Cemetery while I attempted to regain control of my Life are in keeping with the vile, despicable treatment I have endured since being forced into homelessness in 1991.

5.-

I ask that I receive \$5,000,000.00 dollars for the pain and suffering I continue to endure.
